To Whom It May Concern:

I am writing to recommend Mr. Shubhadeep Das for the SURGE Internship Program 2025 at IIT Kanpur. I understand that Shubhadeep is applying for this prestigious program and has requested a letter of recommendation from me.

While Shubhadeep has not worked directly under my supervision on any specific project, I have received positive feedback from other faculty members regarding his academic performance and dedication to his studies. He is reportedly a diligent and promising student.

Based on this positive feedback, and subject to no objection from the IT Department/HOD/College authorities, I believe Shubhadeep possesses the potential to benefit significantly from the SURGE program. Therefore, I am happy to recommend him.

Please do not hesitate to contact me if you require any further information.

Sincerely,

Dipan Bandyopadhyay
